Senior Celebration Day Scheduled for October 10th

Senator Toy and Representative Pastor invite businesses and organizations to participate in event

LANSING – Sponsorships for the Ninth Annual Western Wayne County Senior Celebration Day are now being accepted, Senator Laura Toy, R-Livonia, said today.

“More than 1,100 seniors from Western Wayne County gathered at the celebration last year to learn about and discuss issues affecting their lives, the lives of their families and their community,” Toy said. “The more organizations and businesses we have as sponsors, the more opportunities Western Wayne seniors will have to learn about resources in their neighborhood, which is very important.”

The Senior Celebration Day will be held at Livonia’s Burton Manor on Friday, October 10, from 10:00 a.m. to 1:30 p.m. The co-sponsor for the event this year is the non-profit group Senior Citizen Achievement Needs (S.C.A.N.), which provides transportation to senior citizens in Livonia.

There are marketing options and sponsorship opportunities for businesses and organizations who work with senior citizens in the Western Wayne community.

“The more sponsors we have for the Senior Celebration Day, the more successful the event will be for the seniors in our community,” Pastor said. “It is a great opportunity to help those who have worked to make our community what it is today.”

For information on sponsorships levels, donations or to obtain a Senior Celebration Day Sponsor Form, please contact Jessica Hayden in Senator Toy’s office at (517) 373-1707.
